Sub:- Examination and Audit of Accounts of Electric Supply Undertakings.

.....

Sir,

I have the honour to request a ref. to Govt. Order, P. W. D., No.12495, dt. the 21-12-1917, reg: the examination and audit of certain Supply Companies in the Province of Bombay by M/s. A.F.Ferguson & Coy., and the terms of order. With regard to the remaining Supply Companies, Govt. has so far accepted the audit of the respective Supply Companies' Auditor.

2. In view of the many discrepancies which have been brought to light in the audit of the Supply Companies under Govt. Resolution, P. W. D.,No.1986/36, dt. 20-12-1937, by Mr. Das Gupta, I specially request that Govt. will be pleased to arrange for the apptt. of an Accounts Officer of the Indian Audit & Accounts Service - Class I, to carry out the annual examination and audit of the Electric Supply Undertakings for which licenses and Sanctions have been granted in the Bombay Province. At the present time, there are 67 Companies which will require to be audited annually, and Govt. are empowered under Clause II of the Schedule to the Indian Electricity Act, 1910, to make a charge for the examination and audit of the Supply Companies' accounts, which should amply pay for the services of the Accounts Officer in question.

I have the honour to be,
Sir,
Your most obedient servant,

Before the El. Engr.'s proposal overleaf is considered the views of the Spl. Auditor (Mr. Das Gupta) may be obtained in the matter U.O.

Id/- /6/38 Thro'. M. E.

Id/- 16/6 Id/- 16/6/38

U.O. to the Spl. Auditor, 17-6-1938.

I entirely agree with the suggestions made by the El. Engr. to Govt. in his letter No.LA.31/827, dt. the 11-6-1938.

2. I have gone through about 50 Utility Undertakings, both big and small, and the facts embodied in my reports reveal a number of devices adopted by the utility financiers, all of which cannot be said to be in the best interests of the consumers. The existence of the Managing Agency system with all its shortcomings, which is a Spl. feature of the public utilities in this Province, with no parallel anywhere outside India, is already known to Govt. I do not intend to deal here with this aspect in detail, but would refer Govt. to my reports to the Committee which will show how much extra and unnecessary cost is being incurred on account of the existence of the Managing Agencies which the consumers have ultimately to bear.

3. In the matter of audit again, it appears to me that Govt. have been deprived of the most valuable help and guidance from their auditors. Under the existing arrangements, the Companies' auditors also act as auditors on behalf of Govt.

Without.....

Without in any way making reflections on the present Companies' Auditors, I might say that Govt. are not getting much valuable help from them. The Auditors on behalf of Govt., i.e. the consumers, sh should not only see that there is a voucher for every payment, but also see that the payment itself is such as an ordinary business man of ~~ordi~~ prudence would incur. The financial audit in this latter sense is much more important from the Govt. point of view than the mere voucher audit. I have actually met with an instance in the course of my present investigations where an auditor of a Coy. had the misfortune of losing his job for reporting to Govt. certain actions of the Directors with which he did not agree. It is just probable that in the minds of the other auditors there may lurk an apprehension that they would fare no better under similar circumstances. For a proper discharge of this duty therefore, Govt. auditors must not only be independent of the share-holders but must be auditors who have the necy. experience and training behind them.

4. There are two courses open to Govt.:-

(i) either these audits shd. be handed over to the Accountant General, Bombay; or

(ii) Govt. shd. borrow an Officer from the Indian Audit and Accounts Deptt. to act as a permanent Accounts Officer under Govt.

5. There are at present 67 Electrical Utility Undertakings in this Province, the accounts of which have to be audited annually. This will require the whole time services of an Accounts Officer, and as such, it appears to me that the best course for Govt. would be to have an officer of the Indian Audit and Accounts Service under their own control.

6. As regards the status of the Officer, I agree with the El. Engr. to Govt. that his status should

not.....

not be less than the Class I of the Indian Audit and Accounts Service. It is known to Govt. that these Electrical Undertakings are controlled by most influential people in B'bay and the Officer in charge of these audits shd. necessarily be of sufficient status as will give him sufficient weight to discuss various principles with the management of the different undertakings. It shd. be his duty to arrange for, to conduct, and to supervise the audit of the accounts of the Companies as presented to Govt. He shd. advise Govt. on all matter of finance and administration connected with the electrical and other utilities of this Province. It is not improbable that there will be differences of opinion between the Govt. auditor and the Directors of the Companies. He shd. therefore, be given the status of a Dy. Secy. to Govt. (P. W. D.) so that he may be able to discuss the points at issue with the Directors on equal status.

This seems quite unnecessary. As an Auditor appointed by Govt. he will be able to do this.

Id/-

7. I accordingly support the proposals made by the El. Engr. to Govt. that the pay and status of the Accounts Officer shd. be in conformity with the responsibility that will devolve on him.

2. Pl. see El. Engr.'s letter on p.1 ante and the views of the Spl. Auditor (Mr. Das Gupta) thereon. The Spl. Auditor has amply pointed out the necessity of having independent audits of the accounts of the Electrical utility undertakings on behalf of Govt. and suggests that either (i) these

audits.....

audits shd. be handed over to the A. G., Bombay or (ii) Govt. shd. borrow an officer from the Indian Audit & Accounts Deptt. to act as pt. Accounts Officer under Govt. He further observes that the annual audit of the 67 Electrical utility undertakings at present existing in this province will require the whole time services of an Accounts Officer; the best course for Govt. would therefore be to have an officer of the Indian Audit & Accounts Service under their own control. The status of the officer shd. not be less than Class I of the Indian Audit and Accounts Service and he shd. further be given the status of the Dy. Secy. to Govt. for the reasons given in para. 6 of his note.

Unnecessary

3. As under Clause II of the Schedule to the Indian Ely. Act, 1910, Govt. are entitled to recover charges for examn. and audit of the accounts of the Elect. undertakings the proposal of the El. Engr. to Govt. to appoint an Accounts Officer of the Indian Audit and Accounts Service Class ~~Ixxmx~~ I, may favourably be considered in u.o. consultation with the F. D. The manner in which the cost of the Spl. Officer and the staff under him shd. be recovered from the Coys. concerned under the provisions of the I. E. Act/ mentioned above may be left to the Spl. Officer to suggest for the consideration of Govt. after his appointment.

4. Neither the El. Engr. nor the Spl. Auditor has given any idea regr the staff which will be required for the proposed officer. To beggin with it will be necy. to have an Accountant with intimate knowledge of the subject to help the officer and two peons.

5. The annual average cost of the apptt. of the Spl. Officer and the staff proposed for him will vary from Rs.27,000/- to Rs.13,000/- according as the Spl.Officer

and.....

and the Accountant to be appointed are on the old or the new scales of pay.

6. If the proposals are finally approved by Govt., it will be necy. to requisition the services of an I. A. & A. S. Officer and experienced Accountant from the A. G., Bombay, and necy. action in that connection will be taken in due course.

7. The consideration of the proposals need not be deferred on account of the recent orders of the F. D. to exercise economy in expdre. in view of the anticipated deficit in the budget on account of the non-realisation in full of the Income Tax share from the G. of I, as the cost in the present case is to be ultimately recovered from the Coys. concerned.

This proposal seems a good one and Govt. shd. obtain more benefit from such an audit than they do from the audit of a private firm of Auditors. I do not see any reason why the Auditor as appointed need rank as a Dy. Secy. as the officially appointed Auditor of Govt. he shd. experience no difficulty in dealing with the Supply Companies.

The proposal, if adopted, will prove more expensive from the Companies' point of view, at present even the biggest Companies pay only Rs.450/- and Rs.500/- for the audit fees; whereas under the proposed system they will have to pay at least double this amount unless Govt. is prepared to bear some of the cost in return for the benefits likely to be derived, which are problematical.

In.....

In spite of this I think the proposal shd. be accepted.

There is an alternative proposal put up viz. that these audits shd. be handed over to the A. G., Bombay. What are the objections to this? Perhaps A. G. would remark on this.

Also I shd. like to know total audit fees for one year.

U.O. to A. G., Bombay, dt. 21-7-1938 with P.W.D. Vol. No.479 of 1918-21.

A.G.'s Office.

It is not easy to advise on this case; for though the work is important, it is, I think, unlikely to take up the full time of an officer, particularly for the next few years since in most of the important cases, a complete audit has just been made. If, however, Govt. take it up, a full time officer will have to be employed, and if he is to be directly under Govt., and not under the Accountant General, he will have to be a senior officer to have the requisite experience and status. Assuming that an officer of the rank of Class I of the Indian Audit & Accounts Service is selected and the Auditor General is willing and is in a

position....

position to spare him, the cost will be more than assumed in the Secty. notes. The calculations of cost made are incorrect because they omit the house-rent allowance and compensatory allowance ordinarily admissible to such an officer, as also leave and pension contributions with regard to the officer as well as the staff. If these are included, the extra cost will be over Rs.40,000/-, on the basis of the old scales of pay which have to be taken into account for present purposes. I am not sure the Electric Supply Companies will all willingly agree to bear the charge. Even if the ten bigger Companies are charged Rs.1,000/- each, the other (57) smaller Companies will have to be charged over Rs.500/- on the average.

2. As regards the other alternative, I cannot say whether the Auditor General will agree to the work being entrusted to the Accountant General, Bombay; if he does, and Govt. ultimately decide on this course, the cost to the Companies will be considerably less.

The ordinary charge made by the Outside Audit Deptt. of my office for work of this nature is Rs.50/- per day; ~~Xxthey~~ are at present doing for the Central Provinces Govt. an audit of 3 small Electric Supply Companies at an inclusive fee of Rs.150/- each. A fee at the ~~x~~ rate of Rs.50/- per day might have been suitable, if the work could have been undertaken without an extra officer. This is impossible; but, if he is to work under the instructions of the Accountant General who may be presumed to have sufficient experience to guide him, he may be a junior officer of the Indian Audit & Accounts Service or an Asstt. Accounts Officer.

The.....

The total cost in this case will not, I think, exceed Rs.25,000/-; and, if the larger ten Companies pay Rs.1,000/- each, the smaller need be charged only about Rs.250/-.

3. If Govt. will indicate their wishes in this matter to me, I shall obtain the orders of the Auditor General.

No.LA 31/1900 of 1938.
Bombay, 7th September 1938.

Returned, with compliments.

2. I have personally discussed the question with the A. G., Bombay, who informs me that with regard to his alternative suggestions, no guarantee can be given regarding.....

regarding Rs.50/- per day, as this was a spl. rate fixed by the Auditor General for small Electric Supply Companies in question.

3. The A. G. is of opinion that the most suitable pm proposition for the an audit of the Electric Supply Companies would be for the work to be carried out by a Class II Account Officer of his Deptt. of about six years' experience on the scale of Rs.350-50-1400, with a Snr.Accountant on a pay of Rs.250/-, and a peon. The Accounts Officer and the Accountant would be whole-time Officers attached to the P. W. D., and their total pay and allowances as given below would be in the neighbourhood of Rs.14,000/- per annum -

Pay -

Class II Accounts Officer.	...	Rs.600
Accountant.	...	Rs.250
Peon.	...	Rs. 22

House rent allowance.	...	Rs.100
Travelling allowance.	...	Rs.150
		Rs.1,182 x 12
Annual cost.		Rs.14,184

4. As there are at present 65 Companies to be audited, the average amount to be paid by each Company would be Rs.218/-.

5. It is suggested that the proportionate charge to be paid be allocated to the Companies in accordance with the time taken for the audit, as the large Companies could afford to pay more than the average and the smaller Companies would thus not be overburdened with the cost of the Govt. audit. The smaller Companies are at present paying in the neighbourhood of Rs.300/- per annum for audit purposes.

Submitted with ref. to the notes on pp.9-16 ante.

2. The point at issue is whether the annual examn. and audit of the electrical undertakings in this Province shd. be entrusted to the A. G.,Bombay or Govt. shd. have an Accounts Officer for this purpose under its control. The opinion recorded by the A.G. on this point will be found on pp.13-15 ante. In view of the remarks of the El. Engr. thereon it is for consideration whether Govt. shd. have the Accounts Officer, with the staff mentioned by the El. Engr. under its control.

3. The estimate of the cost of the Accounts Officer and the staff framed by the El. Engr. is on the low side. The services of the Accounts Officer and the Accountant will have to be requisitioned from the A.G. It will not always be possible to have these officers on the rates of pay mentioned by the El. Engr. It is therefore necy. to take into account the av: cost of the scales of pay sanctioned for these officers and on that basis the estimate of the cost will amount to Rs.23,400/- as shown below :-

		Av.cost p.m.
Accounts Officer (Rs.350-50-1,400)		
Pay	Rs.827	
Leave & Pension contribution.	281	1,108
Accountant (Rs.220-20-500)		
Pay	371

		1,953
		x 12
Annual cost.	...	23,436
	or say	23,400

If this cost is distributed equally over the 65 Coys. each would have to pay Rs.360/-. The El.Engr. reports that the smaller Coys. are at present paying in the neighbourhood of 300 per annum for audit purposes and he suggests that the annual cost to Govt. of the Accounts Officer and his staff shd. be recovered from the Coys. concerned in accordance with the time taken for audit so that the smaller Coys. would not be overburdened with the cost of Govt. audit. The suggestion of the El.Engr. may be agreed ~~xx~~ to.

It would appear that even at the increased cost suggested in the O.N. such a Scheme would be advisable and feasible. I understand the El. Engr. to Govt. based his estimate on figures given him by ~~him~~ the A.G.

In any case I think that audit carried at on this way would be best satisfactory and it could be done at a reasonable cost to the Coys.

Id/-

I agree that the better way would be to entrust the work to A.G. and he may be asked to consult the Auditor General.

The figures in O.N. are based on pays of officers.....

A. G.'s Office.

In continuation of my u.o.r. No.954, dt. 26-10-1938 reg: the proposal made by Govt. that I shd. undertake the audit of the accounts of certain electric concerns on their behalf, I have since heard from the Auditor General approving of the proposal. In my u.o.r. No.586, dt. 5-8-1938, it was suggested to Govt. that the smaller companies shd. be charged Rs.250/- each and that the larger ten companies Rs.1,000/- each, so as to cover the cost of audit which was then calculated at about Rs.25,000; as with the position then existing, an addnl. class II officer was requ. for the work. As a result of certain re-adjustments of work in my office on account of curtailment of expenditure, it has been found possible to entrust the Examiner, Outside Audit, with this work, in addn. to his other duties, and the cost of audit has consequently come down to about Rs.17,000/-. I, therefore, consider that it would suffice if the smaller companies are charged an audit fee of Rs.200 and the bigger Rs.750, or if Govt. prefer Rs.1,000 for the biggest companies and Rs.500 for the medium sized companies. These rates may be fixed for the present subject to revision after three years. If Govt. approve of these suggestions, I shall be grateful for the issue of early orders on the subject.

2. The Auditor General approves of the proposal to entrust the annual examination and audit of the electrical undertakings in this Province to the A. G., Bombay.

3. As regards the audit fees, the A. G., Bombay, considers that it would suffice if the smaller Companies are charged an audit fee of Rs.200 & the bigger Rs.750 or if Govt. prefer Rs.1,000 for the biggest Coys, and Rs.500 for the medium sized Coys. He further suggests that these rates may be fixed for the present subject to revision after 3 years. In his letter within the El. Engr. to Govt. has reported that there are at present about 65 Coys. to be audited and that the smaller Coys. are paying in the neighbourhood of Rs.300 per annum for audit purposes. The scale of fees proposed by the A. G., Bombay, at 'A' seems therefore reasonable and may be approved.

It would however be necy. to lay down the criteria to decide the classification of the Coys. into the two categories viz. "small" and "big". The El. Engr. to Govt. may be requested u.o. to suggest that criteria, which may perhaps be on the capital basis, and to furnish the list of Coys. falling under the different categories.

Below U.O.N.No.2581/36/25592, dt. the 21-11-1938, from Govt. in the P. W. D.

No.LA 31/3092 of 1938
Bombay, 15th Decr. 1938.

Returned, with compliments.

2. It is suggested that the Supply Companies who have invested capital including the loan capital of Rs.10,00,000 shd. be classified as "Large Companies" and those below ten lakhs of rupees as "Small Companies." In my opinion, a fee of Rs.750/- in the case of "large companies" and Rs.250/- instead of Rs.200/- in the case of "small companies" will be suitable. A list showing the names of the Supply Companies, the amount of capital invested, and the fees proposed to be charged is appended.

2. The El. Engr. suggests that the Supply Coys. who have invested capital including the loan capital of Rs.10,00,000 shd. be classified as 'Large Companies' and those below ten lakhs of rupees as 'small companies' and that a fee of Rs.750/- in the case of former and Rs.250/- in the case of later will be suitable. It is for orders whether the El. Engr.'s proposals may be appd. If so the A. G. & the F. D.may see the ppapers u.o. before submission.

3. It may be stated in this con. that the Talegaon El. License refd. to at serial No.57 of the list submitted by the El. Engr. to Govt. has since been revoked. In the case of Pandharpur, Panchgani & Mulji Jetha Cloth Market (Srl.Nos.41,46 & 65 of the list respectively) the provisions of clause II of the schedule to the I.E.Act do not apply and it will not therefore be possible to enforce the recovery of the fee from them. The sanction holders for Pandharpur & Panchgani have however applied for regular licenses in lieu of the sanctions at present held by them and their applns. are at present under consideration. The sanction for Mulji Jetha Cloth Market can also be revoked by Govt. in April 1941, if reqd. In any case, the total amount of the fees which will be recovered from the Supply Coys., exclusive of the Coys. mention-ed above,will more than cover the cost of audit, viz. Rs.17,000/- estimated by the A. G.

Id/-

Since....

Since the fees recovered on the scales recommended by the El. Engr. to Govt. more than cover the cost of audit, appln. reasonable, the proposals may be accepted.

Will the Secy. in the P. W. D. kindly refer to my unofficial reply No.O.A.1007, dt. 9-11-1938 reg: the proposal to undertake the audit of the accounts of certain electric concerns on behalf of Govt.?

I.....

I shd. be glad to have early orders of Govt., as the preparation of the programme of inspections for the next year has now to be taken up and orders obtained for the necy. staff arrangements.

When communicating the orders, the following informn. may also kindly be furnished :-

(i) The names and addresses of the Companies the accounts of which are to be test-audited, with the dates of accounts fm from which test audit is to commence in respect of each concern.

(ii) In respect of each concern, the place at which the accounts are maintained and will be available for audit.

(iii) Any directions reg: the conduct of audit that Govt. may wish to give.

(iv) Audit fees to be levied in each case.

2. The necy. draft orders entrusting to the A.G., Bombay, the work of examining and auditing the annual statt. of accounts of electric supply undertakings in this Province are put up for appl.

3. With regard to the A.G.'s u.o.r. dated the 11-2-1939, a statt. showing the names and addresses of the electrical concerns the accounts of which shd. be audited, the year of accounts from which the audit shd. commence and the audit fee to be levied in each case is put up. The licensees and sanction holders concerned are being asked to intimate to the A.G., Bombay, the place at which the accts. are maintained and will be available for audit, as this informn. is not available in this office. There are no spl.

instructions..

instructions to be issued to the A. G. reg: the conduct of audit. Attention in this con. is however invited to para. 20 of the report of the Ely. Advisory Committee in which the Committee has suggested certain points on which the auditor shd. be reqd. to report. The Committee's suggestions have been embodied in the draft G. R. put up.

4. Out of the 68 electrical concerns shown in the list submitted by the El. Engr. to Govt. vide pp. 31-37; the following 10 have been excluded from the statt. put up for the reasons stated :-

The Talegaon El. License has been revoked with effect from the 20-12-1938.

In the case of Ratnagiri, Chopda & Ranebennur, the schemes are not yet functioning. When they begin to function, the orders reg: the audit of accounts will be issued.

In the case of sanctions for Mulji Jetha Market, Pandharpur & Panchgani, the provisions of Sec.11 of the Act and Clause II of the Schedule to the Act do not apply. Separate orders may be issued in these cases later. } A

The A'bad Power El. License, the Khopoli El. License and the sanction for the supply of electrical energy to the Willingdon College and Sir Wanless Sanatorium have been excluded for the reasons stated by the El.Engr. to Govt. against items 66,67 & 68 of the list on p.37 ante.

The statt. put up thus includes 58 concerns, the audit of which may be entrusted to the A.G. for the present.

5.....

5. There is no uniformity in procedure followed by the Supply Coys. re: dates upto which the accounts are made up. Most of the Coys. make up their accounts upto ~~31st~~ 31st March each year, while some Coys. make up their accounts upto end of June, Sept. or Decr. each year. Last year Mr. Das Gupta examined the accounts of some 35 Coys. mostly for the year 1936-37. In the remaining cases, he could not undertake the work. The audit by the A. G. shd. now commence from subsequent financial year in each case. In some cases, however, the Coys. have already submitted their accounts for the year ending the 31-3-38 audited by their own auditors. It does not seem desirable to get the accounts in these cases audited again by the A.G. and make the Coys. pay twice over for the work. In these cases, the statts. of accounts for the year ending 31-3-38 may be accepted and the audit by the A.G. shd. commence from the year ending the 31-3-39. Similarly, in cases where the Coys. have started supply in recent months, the audit by the A. G. shd. also commence from the year ending 31-3-39.

The Bl. Engr. to Govt.& the A. G. may see the pps. u.o. before submission.

RESO.....

RESO.:- In pursuance of the powers conferred by clause II(a) of the Schedule to the I.E.Act,1910, and in supersession of all previous orders in this behalf, the Govt. of Bombay is pleased to direct that the annual statt. of accounts of the elec. undertakings mentioned in the accompanying statt. shall, before being rendered to Govt. under Sec. 11 of the Act, be examined and audited by the A G., Bombay. The year of the accounts from which the audit shd. commence in respect of each concern and the audit fee which shd. be recovered in each case from the licensee or sanction holder concerned are shown in columns 4 & 5 of the statt. The fees will be subject to revision after three years.

2. The licensees and sanction holders concerned shd. be asked to furnish three copies of their annual statt. of accounts to the A.G.,Bombay and one copy to the El. Engr. to Govt. direct. After the audit is completed in each case, the A.G., shd. transmit one copy of the statt. of accounts with his report thereon to Govt.

The report should deal with the following points in particular :-

(a) Whether the A.G. has satisfied himself that only those items which properly belong to the capital account have been debited thereto and that nothing has been charged to revenue account which shd. properly be debited to the capital account.

(b) Whether in his opinion, the rates for energy charged to the consumers are reasonable and not capable of appreciable reduction. The reasons for arriving at his conclusions shd. be explained with reference to the revenue, profits and appropriations made from the

revenue.....

revenue to the various reserve funds.

U.O. to the El. Engr. to Govt. & the A.G., dt. 8-3-1939.

Below U.O.R. No.2581/36, dt. the 8-3-1939, from Govt. in the P. W. D.

No.LA.31/4066 of 1939.
Bombay, 15th March 1939.

Returned, with compliments. The examination and audit of accounts shd. be carried out by the A. G.,Bombay, in accordance with the terms contained in para. 20 of the report of the Elect. Advisory Committee, copy of which is enclosed. The reports of the A.G.,Bombay, shd. be framed on the lines of those submitted by Mr.Das Gupta; two copies of his reports are enclosed. It is suggested that the draft Resolution on pages 61 & 62 be modified accordingly.

Returned to the P.W.D. with the following remarks:

Draft Reso. on pages 61-62 of the U.O.file.

I suggest that the last sentence of para. 2 shd. be omitted. The words "examined and audited" used.....

used in clause II(a) of the Schedule to the Indian Elecy. Act, 1910, are comprehensive enough; even if the points mentioned in this sentence are not included in the Reso., the A. G. will have the power under the Schedule to the Act to examine the accounts in the manner suggested. Their incorporation in the Resolution might conceivably be construed by the Govs. as restricting the scope of audit and inspection by the A.G. Further, as these instructions are mainly intended for the guidance of audit, I think, it would be better if they are communicated to the A G. through a separate letter merely stating that the A.G. shd. examine inter alia during his audit and inspection -

(a) whether expenditure charged to capital and revenue account respectively have been correctly so charged;

(b) whether the rates for energy charged to the consumers are reasonable and not excessive;

and that he should bring to the notice of Govt. any points in which he is not fully satisfied, bearing in mind the interests of the consumer.

In para. 2 of the draft Resol. (pages 61-62 of the file) and para. 3 of the draft letter (at pages 57-58 ibid) two copies of the statt. of accounts are read. to be sent to the A.G. It is suggested that three copies may be read. to be sent.

Fi. Secy.'s note (P.W.D.) dt. 15-3-1939.-

I think the form of the ex report might very well be left to the A.G.

Sir,

I have the honour to bring to the notice of Govt. that column 3 of the statt. IX submitted by the Supply Coys. with their annual accounts gives only the total quantity of energy sold by spl. contract. As it is essential that the distribution of this quantity between "lighting purposes" and "power purposes" shd. be given in the column, it is ~~requ~~ requested that Govt. may be pleased to advise all the Electric Supply Companies to submit the inform. in future in two separate sub-columns as stated below :-

By Special Contract.

2. In view of the remarks made by the A.G., the last sentense of para. 2 of the draft G.R. on p.62 ante may be omitted and the instructions for the guidance of audit, on the lines suggested by the A.G., may be communicated to him by a separate memo. A revised draft G.R. and a draft memo. to the A.G. are put up for appl. The suggestion of the A.G. that the Supply Coys. shd. be requ. to send three copies of the statt. of accounts instead of two has been duly attended to in the drafts. In view of the El. Engr.'s letter dt. the 20-3-39, the necy. addn. has been made to the draft G.L. to the licensees on p.57 ante. The El. Engr. to Govt. may see the pps. u.c. again before submission.

Letter from the El. Engr. to Govt., No.LA.31/827, dt. the 11th June 1938, as under :-

"I have the honour to request a ref. to Govt. Order, P. W. D., No.12495, dt. the 21-12-1917, reg: the examn. and audit of certain Supply Companies in the Province of Bombay by M/s. A.F.Ferguson & Coy., and the terms of the order. With regard to the remaining Supply Companies, Govt. have so far accepted the audit of the respective Supply Companies' Auditors.

"2. In view of the many discrepancies which have been brought to light in the audit of the Supply Companies under Govt. Reso., P.W.D., No.1986/36, dt. 20-12-1937, by Mr. Das Gupta, I specially request that Govt. will be pleased to arrange for the appointment of an Accounts Officer of the Indian Audit & Accounts Service, Class I, to carry out the annual examn. and audit of the Electric Supply undertakings for which licenses and sanctions have been granted in the Bombay Province. At the present time, there are 67 Companies which will require to be audited annually, and Govt. are empowered under Clause II of the Schedule to the Indian Elecy. Act, 1910, to make a charge for the examn. and audit of the Supply Companies' accounts, which should amply pay for the services of the Accounts Officer in question."

2. The old records on the subject have been gone through but it appears that no general orders of the nature refd. to by the A.G. have been issued by Govt. The statt. regt the techni. & financial data was framed by the late El. Adviser to the G. of I. in con. with the publication of the List of Electric Undertakings in India which he was compiling. The then Supply Coys. were requested to furnish the inform. for transmission to the El. Adviser to the G. of I. On the abolition of the post of the El. Adviser in 1921, the statt. of techni. data was continued to be furnished by the El. Supply Coys. With xx the grant of each subsequent license, the licensee was requested to furnish the techni. data in the usual statt. form along with the statts. of accounts of the undertaking - vide for example para. 5 of G.R. In view of the fact that a regular audit of the accounts of all Elec. Coys. have,however, protested against the audit fee being too high and it has been decided to re-examine this question after 12 months' working. In this connection attention is invited to Mr.Sule's note dt. the 27-5-1939 and the proceedings underlying it, copies put up slip A. If appd., these papers may be refd. u.o. to the A.G., Bombay, wk with a request to examine this question carefully and to state whether the audit fees hitherto fixed are capable of any reduction, having regard to the amount of work involved in each case and the cost of audit and if so, to what extent.

Dear Sir,

Statt. of Techni. & Financial Data.

*****

We have to acknowledge the receipt of your three letters No.2581/36 M, dt. the 5th June in connection with the statt. of Techni. & Financial Data which accompanies the Annual Accounts submitted to Govt. We note that items 1 to 4, 24 to 29 and 32 and 33 of the statt. in question are to be submitted by this Coy. and that the A. G., Bombay, will compile the rest of the items in the statt.

2. We have however to request that Govt. will be pleased to provide us with details of the items which the A. G. will prepare in order that our records may be complete and also that we may be able to notify Govt. if any of the details so provided appear to us to be incorrect.

In making the suggestion for the omission of certain items of the Financial Data statt. (vide u.o.r. No.O.A.230/2-92, dt. 29-4-1940), it was not my intention that my office shd. compile and furnish all the figures, now given by the coys., against these items. The figures which are relevant for a proper appreciation of the financial position and the working result of the undertaking will be given in the body of the audit report, which is furnished to Govt. in duplicate. A separate statt. of items 5 to 23 & 30 and 31 of Financial Data is not necy. It will not therefore be necy. to furnish any figures to the coys. unless there arises any dispute with them reg: the rates that shd. be charged by them.

2. The experience gained during the last 12 months is insufficient to justify a thorough re-exmn. of the position regarding the cost of these elecy. audits. A sufficiently regular cycle of work has not yet been established, and I am yet mmm unable to advise Govt. what the deptt. would cost on a permanent basis. It has, however, become clear that the original estimate of the time reqd. for these audits did not allow sufficiently for the work involved after the annual audit is completed and after the report on the d exmn. of the accounts is prepared.

3. I am however prepared to concede that in the case of the very small companies the audit fee at present charged is somewhat high. But any relief to to be given to them will have to be compensated for by an increase in the fees charged to the bigger companies. This will not be possible before 1942 as the fees originally fixed were stated by Govt. to be due for revision after 3 years from 1939. If Govt. considers that there are very urgent reasons for giving immediate relief to the smaller companies, I would suggest that the fees chargeable to coys. with a capital (share and loan) of less than a lakh be reduced from Rs.250 to Rs.150.

For facility of ref. a list of such coys. with details of their working has been prepared and attached. The total amount of fees to be decreased in this manner will amount amount to Rs.1,200/- only.

4. Probably all the new licenses granted after the issue of the P. W. D. Reso. No.2581/36, dt. 12-4-1939 will also fall under this category and if so

they....

they may also be charged only Rs.150/- per annum till their work expands sufficiently.

2. Pl. see the O.M. dt. the 19-6-40 in which the A. G., Bombay was requested to consider whether the fees prescribed in G.R. No.2581/36, dt. the 12-4-39 for the exmn. and audit of the accounts of El. Supply Coys. were capable of any reduction, especially in the case of smaller coys., and if so, to what extent. The A.G. now reports that the experience gained during the last 12 months is insufficient to justify a thorough re-exmn. of the position and he is therefore unable to advise

Govt.....

Govt on the point. He, however, agrees that in the case of very small companies the fee charged is somewhat high and if Govt. considers that there are very urgent reasons for giving immediate relief to these smaller coys., he suggests that the fee may be reduced from Rs.250 to Rs.150 in the case of the coys. with a capital of less than a lakh. From the statt. furnished by the A.G. on p. 131 ante, it will be seen that there are 12 xxxx coys. falling under this category and the total reduction will amount to Rs.1,200/-. It appears from the statt. that some of these smaller coys. are working at a loss, while some others have not made sufficient profit to declare any dividend. As most of these coys. lead a struggling existence, some immediate relief seems to be necy. in their case and the fee may be reduced from Rs.250 to Rs.150 for future audits. In the case of new licenses granted after the issue of G.R. No.2581/36, dt. the 12-4-39, the fee may also be fixed at Rs.150, as suggested by the A.G., as the capital would be less than a lakh. The El. Engr. to Govt. and the F.D. may see u.o. first. The El. Engr.

3. The Examiner, Outside Audit, in his U.O.R. No.O.A.230/2-92, dt. the 29-4-1940, stated that the procedure followed by the various Supply Coys. in preparing the Financial & Techni. Data statt. was not uniform. He suggested that items 5 to 23 and 30 and 31 be deleted. As the figures of these items are essentially necy., it was presumed that the Examiner, Outside Audit, would compile the figures in question during the audit of the Coys.' accounts "to avoid unnecy. controversy with the Coys. reg: these matters". In his U.O.R. No.O.A. 230/2-439, dt. the 9-7-40 (page 129), the Examiner, Outside Audit, states that it is not his intention that his office shd. compile and furnish the figures in question, and that a separate statt. of items 5 to 23 and 30 and 31 of the Financial and Techni. data is not necy.

recoverable come to Rs.18,500/-. It is now proposed to give relief to smaller coys. to the extent of Rs.1,200/-. This will reduce the total amount of fees to Rs.17,300/-. This amount will be raised when some new coys. will be added to the list. In the circumstances stated this Deptt. may agree to the proposed reduction of fees in respect of smaller coys. It may be observed that by 1942 there will be a thorough re-exmn. of the position reg: the cost of these electric audits.

2. In G.L.No.2581/36 M, dt. the 1-6-1940, Mr. S.A.Manvi, the licensee for the Ranebennur El. License, was asked to prepare the statts. of accounts of his undertaking for the period ending the 31-12-40 and to forward them to the A.G.,B'bay and to the El. Engr. to Govt. before the 30-6-41. He was also asked to pay a fee of Rs.250 to the A.G.,Bombay, on demand for the audit work in question.

3. Mr. Manvi now states that the fee of Rs.250 is exhorbitant for his small concern and requests that it may be reduced to Rs.50. It may be stated in this con. that recently it has been decided that in the case of small coys. with a mxkx capital of less than a lakh, the fee shd. be provisionally reduced from Rs.250 to Rs.150 and orders have been issued accordingly in the case of some 12 coys. where figures re: Capital investments were available. Mr. Manvi may perhaps be asked to report his capital investment in the undertaking, after which the fee chargeable in his case will be determined.

4.....

4. As stated in para. 2 above, Mr. Manvi was reqd. to prepare his accounts upto the 31-12-40 and to submit them before the 30-6-41. He, however, proposes to make up the accounts upto the 31-3-41 and to submit them before the 30-10-41. There seems to be no objection to the proposal. The El. Engr. to Govt. may, however, see u.o.

OFFICE OF THE A. G.,Bombay.

Will you kindly refer to your Deptt. Memo. No.2581/36 M, dt. 6-9-40 reg: the statt. of financial and technl. data? As explained in my unofficial note No.C.A.230/2-92, dt. 29-4-40 the financial results included in the above statt. are not made the basis of the audit or report by me on the accounts of the licensees. The preparation of the statt. in my office would involve considerable addnl. work for which I have not the requisite staff. My proposal for the modification of the statt. was made on the assumption that no use was being made of it by Govt. In view, however, of the fact that Govt. has decided to publish the statts. annually, I would suggest that the original position under which the electric coys. were submitting the statt. be reverted to, and the P. W. D. Circular No.2567/36 M, dt. 5-6-40 to all El. Licensees cancelled. This will also remove certain doubts and misgivings felt by the Electrical

3. It was at the instance of the Examiner, Outside Audit, in his U.O.R. No.O.A.230/2-92, dt. the 29-4-40 (page 107) that Govt. issued letter No.2581/36-M, dt. the 5-6-40 (page 115) for the Coys. to discontinue furnishing the data in question; shd. Govt. consider that the Examiner, Outside Audit's remarks on page 163 reg: the furnishing of the data in question are justified, the Supply Coys. may be requested to again furnish the technl. data which was discontinued by them in pursuance of Govt. 2. Pl. see the statt. of financial and technl. ~~dxax~~ data, put up on the case board, which every elecl. licensee was reqd. to submit along with his annual statts. of accounts. In April last, the Examiner, Outside Audit, reported that the procedure followed by the various coys. in preparing the statt. was not uniform and he suggested therefore that items Nos.5 to 23 and 30 and 31 of the statt. may be deleted and the Coys. may be asked to furnish only the informn. reqd. by the remaining items. Orders were issued accordingly in.....

in consultation with the El. Engr. to Govt. and the Examiner was requested to collect the inform. in respect of the remaining items and furnish the same to Govt. along with his audit reports - vide G. L. No.2581/36-M, dt. the 5-6-40 on p.121 ante.

3. In July last, the Examiner stated that in making the suggestion for the omission of certain items in the statt., it was not his intention that his office shd. compile and furnish the figures in question and that only the figures which were relevant for a proper appreciation of the financial position and the working result of the undertakin/g would be given in the audit report. He further stated that a separate statt. of items 5 to 23 and 30 and 31 of the financial data was not reqd. As Govt. had decided that the statt. in question shd. be published annually, the A. G., was requested to furnish the figures in question along with his audit report, as previously reqd., vide G. M.No.2581/36 M, dt. the 6-9-40.

4. The Examiner, Outside Audit, has again approached Govt. in the matter. He states that the preparation of the statt. in his office would involve considerable addnl. work for which he has not the requisite staff. He further states that his proposal for the modification of the statt. was made on the assumption that no use was being made of it by Govt. Since, however, Govt. has decided to publish the statt. annually, the Examiner suggests that the original position under which the El. Coys. were submitting the statt. may be reverted to and Govt. Circular Letter No.2581/36-M, dt. the 5-6-40 to all the Supply Coys.may be cancelled. The El. Engr. to Govt., who was requested to offer remarks in the matter, states that if Govt.considers that the

remarks of the Examiner in this connection are justified, the Supply Coys. may be requested to furnish the inform. which was discontinued by them in pursuance of Govt. orders r'efd. to above.

5. In the circumstances stated above, it is for orders whether G. L. No.2581/36-H, dt. the 5-6-40 addressed to all the Supply Coys. may be cancelled and the Coys. may be asked to furnish a complete statt. of financial and techni. data as before. On receipt of orders, the necy. draft will be put up.

It seems that the inform. is reqd. by Govt. that the E. O. A. is not in a position to prepare it. Such being the case the original practice may be followed again, I think.

Sub:- Fixation of audit fees for the examn. & audit of the annual statts.of accounts of electrical undertakings.

Sir,

I have the honour to invite a ref. to the

orders.....

orders of Govt. contained in Govt. Resolution, P. W. D., No.2581/36, dt. 12-4-1939 (and in Govt. P.W D. Letter No.2581/36 M, dt. 6-9-40 and No.2581/36 M, dt. 6-9-40 in respect of certain Elect.~~M~~ Undertakings) on the subject of the fees payable by the Licensees or sanction holders of El. Supply Undertakings in the Province of Bombay for ~~h~~ the examn. and audit of the annual statts. of accounts. These rates were sanctioned subject to revision after three years which expire with 31-3-1942. I am aware that Govt. have made reduction of these charges, and I have taken this opportunity to carefully examine all avenues for reducing the same. I am glad to be able to report, that owing to the fact of the work having settled down, the estimate for the time reqd. in future for this work by the Examiner and staff of my Outside Audit Deptt. has been lowered, and I am in a position to suggest reduction in the rate of fees.

2. The cost at present of conducting these audits works out to Rs.15,500/- (in round figures) as shown in the accompanying statt. This cost can be recovered from the 64 El. Supply Undertakings which are at present under audit if the rates as shown below are fixed by Govt.

		Rs.
(a)	Coys., the share and loan capital of which exceeds rupees ten lakhs.	750
(b)	Coys., the share and loan capital of which is rupees one lakh and over, but not over rupees ten lakhs.	200
(c)	--do-- capital of which is less than one lakh of rupees.	100

It will be noticed that though no reduction is possible in the case of the larger coys., the audit fees have been suggested for reduction from ~~Rs.~~ Rs.250/- and Rs.150/- in respect of categories (b) and (c) to Rs.200/- and Rs.100/- respectively. These form the larger number of the undertakings being at

present....

present 35 and 20 of the undertaking respec-
tively out of 64 in all. The Auditor General of India has appd. of my proposal to reduce the fees.

3. I recommend the revised rates for acceptance of Govt. for the examn. and audit of the annual statts. of accounts commencing with the year 1942-43.

I have the honour to be,
Sir,
Your most obedient servant,

2. The A.G., Bombay, proposes to levy the following revised fees for the examn. and audit of the annual statts. of accounts of Electrical Undertakings in the Province of Bombay and recommends that the revised fees may be made applicable for the statements of accounts commencing

with.....

with the year 1942-43:-

		Proposed revised fee. Rs.
(a)	Coys., the share and loan capital of which exceeds rupees ten lakhs.	750
(b)	--do-- capital of which is rupees one lakh and over but not over rupees ten lakhs.	200
(c)	-do- capital of which is less than one lakh of rupees.	100

3. The A. G. states that there are 9 Coys. falling under the category (a) above and 35 and 20 Coys. respectively falling under the categories (b) and (c) above. The total fees recoverable according to the proposed revised scale from the 64 Coys. will be as under :-

		Rs.
9 x 750	=	6,750
35 x 200	=	7,000
20 x 100	=	2,000
	Rs.	15,750

The cost of conducting these audits at present in the A. G.'s Office works out to Rs.15,500/- which is less than the estimated receipt of fees. This Deptt. may, therefore, agree with the A. G. The pps. may, however, be shown u.c. to the El. Engr. to Govt. for his remarks. That officer may also be requested to furnish a list of coys. falling under each of the 3 categories mentioned above.
